

Hi P7,

My name is David and I'm writing to welcome you Kirkintilloch High School. I know it's a weird time due to Covid-19 as you have not been up to see us yet and get your induction day.

Don't worry we are all very friendly and all the teachers will make sure you settle in.

I moved to the school last year, last minute, it was a very hard time, but everyone made sure I settled in and I now really enjoy school.

I know you will settle in and will enjoy the subjects along with the extra lunch clubs we have to offer.

You will be very well looked after in S1.

See you soon!

David S2.
