

KHS BULLETIN

A note from KHS

Dear Parents/Carers,

I would like to thank you for your excellent support in turning our young people out so beautifully presented in their Kirkintilloch High School Uniforms. As you can see, they look incredible. In June, our S5 and S6 girls articulated their desire for a senior School Tartan Skirt and as we value their pupil voice, this was launched. We think they look fantastic, and so professional! Thank you to all of our families for your wonderful support of our school uniform policy. Please see our website for supports available to our families in relation to school uniform: [Uniforms - Kirkintilloch High](#)

Our young people have made an extremely positive start to the new term. The ethos in the school is calm, happy and productive, with a wonderful new S1 cohort settling beautifully, ably guided by our S6 Prefects. We are very proud of our Senior Phase pupils in relation to their Qualifications Scotland Examination Successes.

Please remember to contact us if you need anything at all via your child's Principal Teacher of Guidance in the first instance. We are always delighted to hear from you. We will be in touch soon with a range of opportunities for parental involvement.

Yours faithfully,
Maureen Daniel,
Head Teacher
